Sym FIDDLE 125cc 2024

Classic Retro Design with Practicality and Style

£2,699 +OTR

from **£115.98** p/m

SYM Fiddle 125CC scooter is a stylish and reliable two-wheeler that offers a smooth and comfortable ride. This scooter is designed to appeal to riders who want a combination of practicality and style.

 Powered by a 125cc engine, the SYM Fiddle 125CC scooter has enough power to easily navigate through city traffic. The engine is fuel-efficient, making it an economical choice for daily commuting. The scooter is also equipped with a fully automatic transmission, making it easy for even novice riders to operate.

 The SYM Fiddle 125CC scooter features a classic retro design with a modern twist. The body is made of high-quality materials, ensuring durability and longevity. The scooter's front and rear LED lights provide excellent visibility, while the large 12-inch wheels offer stability and smooth handling.

 The scooter's ergonomic design ensures a comfortable riding experience. The seat is large and well-padded, providing ample support for the rider and passenger. The handlebars are positioned for easy reach, and the footrests are positioned to ensure a relaxed riding posture.

 In terms of storage, the SYM Fiddle 125CC scooter has a spacious under-seat compartment that can accommodate a helmet and other essentials. There is also a lockable glove box on the front panel, providing additional storage options.

 Overall, the SYM Fiddle 125CC scooter is a reliable and stylish two-wheeler that is perfect for city commuting. It is fuel-efficient, easy to operate, and offers a comfortable ride. With its retro design and modern features, it is sure to turn heads wherever it goes. 125cc Air Cooled Engine - Front Disc Brake - LED Tail Light - Digital Speedo - Ergonomic Seat - Side Stand - Centre stand - Advanced high-security lock system - Rear Top box included for a limited time - CBS Braking - Adjustable Suspension - USB Quick Charge Socket.
