£2,199 +OTR

from **£93.24** p/m

SYM Fiddle 50CC scooter is a stylish and reliable two-wheeler that offers a smooth and comfortable ride. This scooter is designed to appeal to riders who want a combination of practicality and style.

 Powered by a 50cc engine, the SYM Fiddle scooter has enough power to easily navigate through city traffic. The engine is fuel-efficient, making it an economical choice for daily commuting. The scooter is also equipped with a fully automatic transmission, making it easy for even novice riders to operate.

 The SYM Fiddle 50CC scooter features a classic retro design with a modern twist. The body is made of high-quality materials, ensuring durability and longevity. The scooter's front and rear LED lights provide excellent visibility, while the large 12-inch wheels offer stability and smooth handling.

 The scooter's ergonomic design ensures a comfortable riding experience. The seat is large and well-padded, providing ample support for the rider and passenger. The handlebars are positioned for easy reach, and the footrests are positioned to ensure a relaxed riding posture.

 In terms of storage, the SYM Fiddle 50CC scooter has a spacious under-seat compartment that can accommodate a helmet and other essentials. There is also a lockable glove box on the front panel, providing additional storage options.

 Overall, the SYM Fiddle 50CC scooter is a reliable and stylish two-wheeler that is perfect for city commuting. It is fuel-efficient, easy to operate, and offers a comfortable ride. With its retro design and modern features, it is sure to turn heads wherever it goes.
