## Sym JET 14 125cc 2024

The Best Selling Learner Legal Automatic Scooter

**£2,299** +OTR

from £97.79 p/m

SYM Jet is one of the most prestigious series in the SYM scooter range. It has been more than a decade since the Jet series debuted. To date, the Jet 14 is still the best-selling model in European markets. <br><br>Sym Jet 14 125 AC is the ideal companion for navigating city streets safely and efficiently, while providing maximum comfort for an enjoyable ride. It offers maximum comfort for a pleasurable ride and boasts a sleek design with compact dimensions, sharp angles, and efficient LED lighting that give it a sporty and avant-garde look. <br><br>Enjoy superior driving comfort with its flat floor and multiple equipment details, such as a digital dashboard, a roomy under-seat compartment that can hold a full-face helmet, a QC 2.0 USB charging socket, and other practical and functional solutions that cater to your everyday needs. <br><br>Equipped with an LED lighting system in the front optics for excellent visibility and a rear light for long-distance visibility. It also features a digital panel with all the essential information, such as speedometer, odometer, clock, fuel level, and warning lights. Its new air-cooled 4-valve Euro 5 engine delivers exceptional performance with minimum fuel consumption and low emissions for environmental friendliness. <br><br>The Jet 14 125 AC also boasts a double adjustable rear shock that ensures a smooth and precise driving response, front disc and rear drum brakes with effective braking system for optimal safety, and a retractable carrier hook that remains discreetly integrated into the bodywork when not in use. <br><br>Additional features include a glove box behind the shield for storing your essential items within reach, a side stand for comfortable parking, a centre stand for greater parking stability, retractable foot pegs that seamlessly integrate into the bodywork, digital instrumentation for easy-to-read display, high-power and low-consumption LED lighting, a flat track that facilitates a correct driving position and allows for the placement of lightweight objects, and a 5V USB socket that enables the recharging of electronic devices on the go. <br><br>With ample space under the seat to store a full-face helmet, a double front headlight with multi-convex internal optics, and a host of other features, the Jet 14 125 AC is the perfect combination of comfort, style, and functionality for an exceptional riding experience.
