£1,999 +OTR

from **£84.15 p/m**

Keeway Blueshark, an innovative and reliable electric scooter perfect for modern urban commuters. With its high-speed gear motor and dual LFP batteries, this scooter delivers exceptional power and driving distance. The cutting-edge permanent magnet gear motor offers unbeatable performance, providing an adrenaline rush like no other. It easily keeps up with city traffic and can even pull away from the crowd at traffic lights.

 For those seeking a green and efficient mode of transportation, the Keeway Blueshark is the ideal choice. Its zero-emission design makes it a great alternative to traditional mopeds. Plus, with its long-range dual batteries, you can travel farther without worrying about running out of power.

 But the Keeway Blueshark is more than just a green solution; it's also an incredibly convenient one. With its easy handling and quick charging capabilities, you can get back on the road in no time. With six driving modes and a huge lithium-ion battery, you can even tailor your ride between performance and economy at the touch of a button.

 If you're looking for a reliable and innovative electric scooter, the Keeway Blueshark is definitely worth considering. Book a demo test ride today to experience the adrenaline rush of riding this high-speed gear motor e-scooter. Plus, with quick charging, you can be back on the road in no time!
