Keeway Blueshark 80 2025

Innovative, and eco-friendly mode of transportation

£3,199 +OTR

from **£138.72 p/m**

Keeway Blueshark electric scooter is the perfect solution for modern urban commuters who desire a reliable, innovative, and eco-friendly mode of transportation. This e-scooter boasts a high-speed gear motor and dual Lithium ion batteries, which provide exceptional power and an impressive driving distance.

 The Blueshark incorporates advanced automotive technologies such as ADAS, IPS HD panel screen, and 74 sensors embedded in an Android-based ArkRide OS, providing a safe and smart riding experience. The large display seamlessly integrates all necessary information and has received praise from the press for its advanced and modern design.

 This electric scooter also features the ability to switch between power performance and cruising distance by using the two batteries in parallel or sequence. The cutting-edge permanent magnet gear motor delivers unmatched performance that surpasses typical wheel hub motors, creating an adrenaline-filled ride that is sure to impress.

 In Turbo mode, the batteries switch to series, enabling exceptional performance when needed. Economy mode offers a market-leading range, while the in-between driving modes balance performance and range.

 Keeway Blueshark is equipped with additional features such as keyless ignition, fingerprint scanner, built-in alarm system, tracker, and camera system. The built-in alarm system locks the rear wheel, making it difficult for anyone to move the scooter. The tracker can be accessed via the Blueshark app, and the camera system records all trips and stores them on the internal hard drive and cloud system. With a top speed of 50mph, this e-scooter is more than capable of keeping up with city traffic, making it one of the best scooter / bikes near you. Quick charging means less time waiting and more time riding. Don't hesitate to schedule a demo test ride and experience the exceptional ride quality of the Keeway Blueshark electric scooter today.
