Keeway's EZI Mini road legal electric scooter is a game-changer in personal urban transportation, with features that make it a must-have for city dwellers. <br><br>This e-bike is perfect for both experienced riders and learners, with a robust 1000W rear hub motor that ensures fast and efficient transportation. The EZI Mini is a zero-emissions vehicle, making it an eco-friendly choice for your daily commute or quick trips to the store. <br><br> This compact e-scooter has a city-proof design that makes it easy to navigate through traffic and park in tight spaces. <br><br> The EZI Mini's features include a dual-LED headlight that offers ultra-bright illumination, a compact front suspension that provides the right amount of cushion for a smooth ride over potholes, and durable 14" wheels paired with 2.25" road tires for excellent pavement performance.<br><br> The EZI Mini is powered by a reliable 48V 20Ah lithium-ion battery pack that fits neatly under the seat and lasts up to 65km on a single charge. It also boasts a spacious footwell, premium saddle, and twin coil suspension that ensures a comfortable ride. The LCD dashboard clearly displays all your important ride stats at a glance, even in low-light conditions .<br><br> With its small size and powerful performance, the Keeway EZI Mini electric scooter is a great choice for anyone looking for a convenient and efficient way to travel around the city. The extremely light weight enable the EZI Mini to be transported on many motorhomes and caravans, as well as enabling riders to carry the bike to their apartment instead of leaving it on the street, <br><br> The Keeway EZI Mini is available in Red, Blue, Black and White.
