Keeway Fact 50cc 2025

The concept of a light, edgy scooter

£1,799 +OTR

from £75.05 p/m

Keeway Fact 50 takes the concept of a light, edgy scooter with good handling to the next level with its future-thinking styling. Designed to be the ultimate daily driver, this scooter is perfect for anyone looking for a reliable and stylish mode of transportation. Its modern 4-stroke engine delivers easy power on tap while still keeping fuel efficiency in mind for no-frills everyday riding, and the automatic CVT provides a smooth and seamless ride, making it easy to navigate through busy city streets.

 One of the stand out features of the Fact 50 is the electric start, which means you can be ready to go at any time. Additionally, the scooter is equipped with a powerful front disc brake, providing excellent stopping power in any situation. The multi-sided LED headlights and taillights give the scooter a wide visual look and enhance visibility in all conditions.

 Thanks to the long and wide seat, that is designed to be comfortable even on long rides, whether you're riding solo or with a passenger. The scooter's lightweight frame also provides agile handling, making it practical for everyday use. In summary, the Keeway Fact 50 is a modern and stylish scooter that delivers on performance, fuel efficiency, and comfort, making it a reliable and fun way to get around town.
