## Keeway Fact X 50cc 2025

**£1,899** +OTR

Adventure styling and urban fun

Keeway Fact X 50CC takes the concept of a light, edgy scooter with good handling to the next level with its future-thinking styling. <br><br> Designed to be the ultimate daily driver, this scooter is perfect for anyone looking for a reliable and stylish mode of transportation. Its modern 4-stroke engine delivers easy power on tap while still keeping fuel efficiency in mind for no-frills everyday riding, and the automatic CVT provides a smooth and seamless ride, making it easy to navigate through busy city streets. <br><br> A tough rugged image is portrayed by the adventure bikes styling and exposed framework. <br><br> Additionally, the scooter is equipped with a powerful front disc brake, providing excellent stopping power in any situation. The multi-sided LED headlights and taillights give the scooter a wide visual look and enhance visibility in all conditions. Thanks to the long and wide seat, that is designed to be comfortable even on long rides, whether you're riding solo or with a passenger. <br><br> The scooter's lightweight frame also provides agile handling, making it practical for everyday use. In summary, the Keeway Fact X 50cc is a modern and stylish scooter that delivers on performance, fuel efficiency, and comfort, making it a reliable, stylish and fun way to get around town. <br><br> One thing's for certain— the Fact X 50 scooter smashes expectations. The small-displacement engine reaches a top speed of 45 km/h as you dash through the streets. <br><br> Hop on and enjoy the X-factor of this creatively engineered urban scooter. <br><br> The Keeway Fact X 50cc is available in White, Black and Blue.
