Keeway Superlight 125 Ltd, the ultimate cruiser for those seeking a sleek and refined riding experience. This bike is designed to offer unparalleled freedom and comfort with its fuel-injected, dual-balanced, single-cylinder power unit. With a proven track record of reliability, this cruiser has quickly become the best-selling 125 cruiser in the UK.

The Superlight Ltd boasts a custom look and ergonomic design that provides a superior riding experience. Available in a range of matte colours, with chrome and black accents that complement its authentic dark componentry, this cruiser is sure to turn heads wherever you go.

At the heart of the Superlight Ltd is a reliable air-cooled single-cylinder four-stroke engine that delivers 10.6 horsepower at 9,000 rpm. With a twin exhaust system and alloy wheels, this bike offers big bike looks and a true custom feel. The front and rear disc brakes ensure safety, while the large 15-litre fuel tank provides an impressive range of over 110 mpg, making it easy to explore the open road and reach your destination with ease.

The Superlight Ltd features twin clocks for the tachometer and speedometer, with a fuel gauge conveniently located on the tank. The 16-inch front and 15-inch rear alloy wheels with 110/90 front and 130/90 rear tires make for a smooth ride. The chassis measures 2,260 mm in length and 800 mm in width (without mirrors), with a wheelbase of 1,440 mm, ground clearance of 120 mm, and seat height of 730 mm. The front suspension features 36mm diameter RWU forks with 110 mm of travel, while the rear suspension has twin shock absorbers with 80mm of travel. The bike weighs in at Only 134 kg and comes with a 24-month warranty.

The Superlight Ltd is available in the following colours : matte Black, matte Red and matte Grey.
