£4,059

The new Meteor 350, cruise easy

from £171.02 p/m

The Meteor represents the eternal essence of riding, the spirit of the cruise; with classic contours & timeless design cues, it is an easy thoroughbred cruiser, ready for the open highway and for meeting the challenges of urban commute with equal ease.

 The Fireball model is the one most reminiscent of the old Thunderbird 350 X and also represents the entry-level model in the Meteor line up. It's available in two single-tone colour options – yellow and red against a contrasting blacked-out finish. This blacked-out treatment can also be found in many other areas on this variant, including the exhaust and the fuel-injection system covers.
