## Royal Enfield Shotgun 650 2025

**£6,699**

Inspired by custom

from £259.25 p/m

The Shotgun 650 defies categorisation in both spirit and form. Its modular design enables it to switch between three modes—from single seater to double seater to luggage-carrying tourer—with ease.   
  
Each of its four unique colourways draws from the culture of customisation, offering a canvas for self-expression for builders and beginners.   
  
The Shotgun 650 is ergonomically optimised, with mid-set foot pegs, a low 795mm seat height and handlebars that are intuitively placed to work with the seat and footpeg position. Its tuned Showa suspension, 1465mm wheelbase and low centre of gravity come together to make riding in traffic, on highways and down twisty back roads equally fun, without compromising on comfort. Wide 18” front and 17” rear tyres, combined with 320mm and 300mm disc brakes, ensure a steady grip and ample control at all speeds, whether you’re riding solo or with extra weight.
