Sym CRUISYM 125cc 2025

Perfect Combination of Urban and Sports in this Maxi Scooter

£4,299 +OTR

from £188.75 p/m

SYM Cruisym 125 is a versatile crossover Maxi scooter that seamlessly blends urban and sporty elements with touring and adventure features. Its unique beak design, foldable rear-view mirrors, and high-power LED signal lights provide a distinctive identity that sets it apart from other scooters.

 Latest version has received several upgrades, including a naked LED projector headlight that adds personality and improves visibility and safety for the rider. The new LCD instrument panel is also high-tech and modern, perfectly in line with the scooter's spirit, offering better visibility and style.

 Other notable features include a Quick Charge 3.0 system, aluminium rims, a telescopic front fork, and dual shock rear suspension. It weighs 179 kg and has a fuel capacity of 12 L, with a seat height of 750 mm. Its Euro 5-compliant 4-stroke engine is a single cylinder with a displacement of 124.9 cc and a maximum horsepower of 10.5 kW at 8,750 rpm. The scooter can reach a maximum speed of over 99 km/h and has a maximum torque of 11.3 Nm at 6,750 rpm. It also features a liquid-based cooling system, a C.V.T. transmission, and an electrical starter.

 The lighting system of the Cruisym 125 comprises LED headlights, taillights, and front position lamps, as well as LED turning signal lights at the front and rear. All these features and more make the model a stylish and versatile scooter, perfect for high-performance commuting.

 For those customers interested in purchasing the SYM Cruisym 125, there are several options available, including low finance, demo test rides, and delivery. To get your hands on this modern, reliable, and stylish scooter, simply visit your nearest SYM dealer.
