Sym JET 4 RX 50cc 2025

RIDE IN STYLE: Don't Go Unnoticed on SYM's Premium Moped Scooter
!

£1,999 +OTR

from £84.15 p/m

The SYM JET 4 has been the undisputed king of scooters for years, a sporty soul inhabits the stylish exterior that has seen its competitors come and go with a fraction of the JETS success.

 Starting with an engine that in many variations has sold in the millions, ultra-reliable and more than capable of anything asked of it. There has been the introduction of highly economical Fuel Injection to help those conscious of cost feel the true value of its 50cc Single Cylinder 4 stroke engine.

 JET 4 has been getting people to where they need to go without fuss and with a smile more successfully than just about any other scooter for the best part of a decade and continues to be the popular choice for many returning customers and first-time riders alike.

 The Jet 4 RX50 is a scooter with character designed for those who like to travel in urban areas in style or to go off the beaten track. Its "Street" spirit is accentuated by an aggressive look that can be seen thanks to the large LED front headlight and its naked handlebars. On the practical side, this new scooter is equipped with handguards, LCD instrumentation, warning on the handlebars and a USB 2.0 port.

 With the Jet 4 RX50, don't go unnoticed!

 The 50cc and 125cc options allow the customers to choose the ideal displacement according to their needs.

 After the lasting product life, it's time for Jet 4's evolution. Jet 4 RX – the new Euro 5 version of Jet 4 It not only combines the sports and off-road elements but also applies the new frame to make for a better riding experience. (Hand guards not supplied as Standard). br>
