from £175.11 p/m

Joymax Z+ is the latest model from SYM designed to provide riders with the ultimate scooter experience. The Joymax Z+ is the evolution of the Joymax Z, which has been the best bargain of the SYM Maxi scooter since it was first revealed at EICMA. With the latest SYM technology, the Joymax Z+ offers an updated look, high-quality materials, outstanding performance, and an affordable price. <br><br> One of the major upgrades of the Joymax Z+ is the new LED headlight. This stylish and trendy headlight not only enhances the scooter's appearance but also provides better lighting, improving rider safety. <br><br> The Joymax Z+ also features a quick charge 3.0, a liquid-cooled engine, and a dual shock absorber, ensuring a smooth and comfortable ride. The hazard control light, two helmets storage, and full LED lighting are also included in this model, making it a perfect choice for city riding. <br><br> With its compact dimensions, the Joymax Z+ offers excellent manoeuvrability, making it the ideal choice for moving around the city with maximum agility. The aluminium rims, front and rear disc brakes with state-of-the-art ABS, adjustable screen, and comfortable seat provide both safety and comfort for riders. <br><br> The dimensions of the Joymax Z+ are 2190 x 750 x 1440 mm, with a wheelbase of 1530 mm and a curb weight of 172 kg. It has a fuel capacity of 12 L, with a seat height of 770 mm. The power system of the Joymax Z+ complies with Euro 5 emissions standards and features a 4-stroke engine, single cylinder, with a displacement of 124.9 cc, fuel injection system (E.F.I.), and maximum horsepower of 10.5 kW / 8750 rpm. The maximum torque is 11.8 Nm / 6,750 rpm, with a maximum speed of > 99 km/h. The cooling system is liquid-based, and the transmission is C.V.T., with an electric starter. The Joymax Z+ comes equipped with LED headlights, taillights, and front position lamps. <br><br> In summary, the Joymax Z+ is the perfect combination of style, comfort, safety, and performance. With its advanced features and affordable price, it is an excellent choice for riders who want the best of both worlds - a sporty handling experience with the comfort of a business-class scooter.
